

Membership Renewal

Check Here for Address Change

Membership Renewal is \$150.00 per calendar year and include the applicant, spouse and minor children. Members who are retired may choose to renew for \$95. Members are expected to observe the rules of the CTSA and should always be ready to present proof of membership at the range, when requested. Failure to observe the CTSA rules may result in forfeiture of membership. Minor children must always be accompanied by a parent. Please remember to shoot safely!

New membership cards must be picked up at the range after a range safety class. We will send a schedule of classes and will make every effort to accomodate those with unusual work schedules.
